It's also only a five-minute drive from Puerto Banús and ten minutes from Marbella's center. This apartment, located in a cozy and exclusive complex, is perfect for both vacations and year-round living. The property was uniquely designed by combining two apartments into one, following the developer's own project. There are three bathrooms, a very large kitchen, an expansive living room (around 90 sq.m), and a 62 sq.m terrace overlooking the manicured green garden, with direct access to the pool. The complex is surrounded by gardens with ponds and fountains, features a large pool, and has 24-hour security. The apartment also comes with two parking spaces in the underground garage and two storage rooms.
