Overview: Cozy semi-detached house in a quiet and nice area. Easy-care and private garden with space to build a smaller pool and a garage door that leads directly into your private plot. At the back there is a gate with direct connection to the 3 different pool areas that are in the urbanization. The entrance floor consists of a large living room with space for a dining table, the room has a lot of light and balcony doors that lead directly out to the garden. On the same floor there is a kitchen with direct access to the garden. A toilet with sink is also on the entrance floor. Upstairs we find two full-sized bathrooms and three bedrooms - the master bedroom has patio doors that lead out to a large terrace where you can enjoy your morning coffee while watching the sun rise. Another staircase up there is a solarium with sea views, and here you can enjoy the sun from morning to evening. This is a very well-planned house with lots of space and storage both indoors and outdoors. As for transportation, you have a 5-minute walk to the bus and a 4-minute drive to the center of Riviera Del Sol.
