Overview: This very large and comfortable family home is superbly located just a stone's throw from the beach and the centre of La Cala de Mijas. The gated residential community includes use of a very large communal pool area. The house also boasts a huge 80m² private garage. The main living room is particularly large, and leads to a private patio on side, and a full size kitchen with separate utility on the other. Upstairs are 3 double bedrooms, one of which is ensuite, plus a family bathroom. Up again is a roof terrace with built in bbq and super sea views. The current owners installed solar power, so the running costs are nice and low... a great opportunity to own a super home in a super location!
