Townhouse

Parking places: by request

Overview: This centrally located two-storey town house is in a secure gated community in the popular area of Atalaya, Estepona East. Close to shops, schools, restaurants, and public transport. The property has four bedrooms and two bathrooms, one on each floor. With 89 m² of living space and a total built area of 124 m², the layout is practical and comfortable. Inside, there is an open-plan kitchen and a living room that opens onto a private terrace. The communal swimming pool offers mountain views. Additional features include air conditioning, storage space, and solar panels. The house is in good condition and ready to move into. It is sold fully furnished, except for the TV and the air fryer. It is also possible to obtain a tourist rental license (licencia turística) for the property.

Features:

Pool, Air conditioning, Mountain views, None, Private garden, Parking
