Overview: Set in a peaceful and elevated position on the outskirts of Ojén, this charming single-level finca offers a rare opportunity to create a truly special home with breathtaking views across Marbella and the Mediterranean Sea. Built in 2001, the property sits on a private 1,290m² plot, thoughtfully arranged over three tiered levels that enhance both privacy and the sense of space. With a total built size of 151m² (111m² internal), the finca currently features two bedrooms, two bathrooms, two inviting living rooms, and a separate kitchen, all conveniently laid out on one floor. Notably, one of the bedrooms with en-suite bathroom is separate from the main living accommodation, offering additional privacy for guests or family members. The main living room is centred around a cosy log burner, adding warmth and character, while the second lounge offers flexibility for entertaining or creating a relaxing retreat. Outside, a 33m² covered terrace provides the perfect setting for al fresco dining or unwinding while enjoying the stunning panoramic sea views. Additional features • Private plunge pool • Storage shed • Gas boiler • Mains electricity and shared well water • Parking for up to three cars Despite its tranquil and private setting, the finca is ideally located just an 8-minute drive from Marbella. Access is good (fully tarmac, though narrow), and there are also three restaurants within a comfortable 10-minute walk from the property. While the finca requires full refurbishment, it represents an exciting blank canvas with enormous potential. With the right vision, it could be transformed into a beautiful Ibiza-style boutique home, blending Mediterranean charm with modern design and seamless indoor-outdoor living. An exceptional opportunity to create your dream retreat in a truly special location. The Listing agent for itself and as agent for the vendor gives notice that: 1.
