Коммерческое

Места: по запросу

Описание: A spacious (14.33 m²) parking spot in a closed, underground car park. It's dimensions and easy access make it a perfect option for larger vehicles. Excellently located, close to Puerto Marina and all amenities, it is just the right place to keep your vehicle well protected in a very popular area. Moreover, given the demand in the neighbourhood, it provides an excellent investment opportunity.

Особенности:

None, Инвестиции
